

Basic Display of the New Jingmen Museum

The new JINGMEN MUSEUM is located in Jingzhou, Hubei Province. It was divided into two parts: the Main Museum and the Chariot and Horse Ware Museum, with a construction area of about 250 million square meters and an exhibition area of about 6400 square meters. It integrates cultural relics protection, collection, research, showcase, exchange and leisure, becomes one of the most representative social and historical museums in Jingmen.

The Main Museum is organized in a chronological order, consisting of six units, such as: "ANCIENT LEGEND OF THE EARLY HAN AND ZHANG RIVERS", "ANCIENT LEGEND OF THE DEVELOPMENT OF HAN AND ZHANG RIVER" and so on, in which forms a coherent historical context, distinctive thematic features, rich interactive experiences and the streamlined and smooth display space. It uses traditional cultural relics display combining with cutting-edge technologies such as sound, light, and electricity, vividly and comprehensively explains the long-standing historical heritage and profound cultural connotations of the JingXiang region.

The Chariot and Horse Ware Museum adopts a well-organized sequences of exhibition layout, creating a display space with a focus on the exhibition of Warring States period female corpses and chariot and horse ware. (It hasn't been opened to the public yet)
