Walking through the streets of New York in awe of all the architecture as a younger lad definitely laid the path to where I am today... Converting historical buildings such as the 1420 Mont-Royal, Outremont convent, into high-end condos!

My strength?

Seizing the big picture!

My drive?

Uncommon challenges!

My mantra?

Nothing is that difficult!

I'd go for being a comet and travelling into space ... imagine the amazing perspectives!

Et quand je veux me faire plaisir, je franchis le seuil de porte de n'importe quelle vieille librairie et je suis heureux !

Oh Canada! Ce sont les valeurs de diversité, de pérennité et de respect du Canada qui se reflètent dans mon travail. Côté inspirations, je nomme Moshe Safdie et Zaha Hadid.

OK... jouons le jeu!

Un diner de rêve?

A McDonald's drive thru Value Meal with Socrates, Plato and Aristotle.

Super-size my fries!
